Cover Photo

On April 19th 1775 the Minutemen drove the British away from this spot. This is a rare photgraph of the Concord Bridge. The original bridge was built in 1660 and removed in 1793. A replica was built in 1874 to celebrate the cetennial of this historic fight. We believe that this photo shows that bridge. It was destroyed in the flood of 1888. Since then a concrete bridge was built which was destroyed by Hurricane Diane in 1955 and now a wooden bridge built in 1956 stands at the spot.

We thank Mrs. Woodworth of Main Street, Wareham for the picture. Mrs. Woodworth is manager of Newman's Ladies' Store in Wareham.

PHOTOGRAPHY EXHIBIT

The Marion Art Center announces a combination jury show and photography exhibit for amateur photographers who have never before exhibited. The exhibit will be open Tuesday, May 9 through Sunday, May 14, with the judging on Saturday, May 13 by well known local professionals.

There will be awards made to the three best pictures in each of two categories; black and white, and color. There is no size limit, although 4 x 5 inches and up is preferred. Pictures must be matted and a contestant may enter as many as he pleases. There will be a token charge of 15 cents per picture to cover the cost of insurance and awards. Entries close Saturday, May 6, 1961.

The exhibit will be open to the public (with no charge for admission) from May 9 to May 14 from 2 to 4 P.M. daily and from 7 to 9 P.M. Friday and Saturday.

Juvenile Grangers had collected and sent to the hospital for their use.

Plans were made for a traveling food sale Saturday morning, May 6th.

This being Agricultural Night, Lecturer Cathy Alves turned the program over to the chairman, Larry Smith, who presented Mr. Otto Kellish. Mr. Kellish gave a most interesting talk on "Planting Your Garden". He stressed the need when planting corn to be sure and plant two rows and not one. Corn as well as other vegetables need to grow in pairs. He explained the proper method of fertilizing, also some methods of trying to keep crows and squirrels from eating the seed. A question and answer period followed. Mr. Kellish is overseer and a member of the agriculture committee of the Subordinate Grange.

The Lecturer's march prizes went to Doris Fearing and Barry Denham.

At the close of the meeting a decorated birthday cake was brought in by Mrs. Edmond Silva in honor of her daughter, Joanne, with the members singing Happy Birthday to Joanne. Frosted doughnuts, punch and birthday cake were enjoyed by all. Refreshment committee was comprised of Joanne Silva, Francis Kelley and Jane Harris.

The next meeting will be May 12th when the Juvenile degree will be conferred on ten members. Mrs. Bertha Harvey, Juvenile Deputy of the Massachusetts State Grange, will be present for an official visit. Refreshments will be served by Valerie and Leonard Randall.

WOMAN'S CLUB MEMBERS HEAR LECTURER

"We must grow up to our full potential," said Mrs. Myrtle Strong Allen to members of the Mattapoisett Woman's Club at their meeting last Thursday afternnon in the Congregational Church parish hall. Mrs. Allen of Salem said that in order to grow we must be willing to accept our limitations in money, education and health, and we must grow from ourselves to other people.

"Are You Growing or Just Going?" was the title of Mrs. Allen's inspiring and enjoyable talk, and her dynamic personality reached out to her audience. She complemented her talk with several amusing stories, and also quoted from a number of books.

Mrs. Allen was introduced by Mrs. Walter Clark, program chairman.

Mrs. Ross Hopkins presided at the business meeting and welcomed members and guests. The invocation was given by Mrs. Dixon Yard.

It was voted to donate $25.00 to the Mattapoisett Athletic and Sports Association.

The Art Group will visit the Swain School of Design on May 24th followed by a coffee hour at the home of Mrs. Lawrence Lamarre, Arnold Place, New Bedford. This group is

award carries a stipend of $3,390 and is for the academic year 1961-62.

Mr. Pierce is the son of Selectman and Mrs. Alton H. Pierce. He is a graduate of Bridgewater State College where he majored in history and social studies, and served as president of his class both in his sophomore and senior years. During his junior hear he served as president of the Organ Club and was president of Kappa Alpha Phi fraternity.

During his first year at the University of Chicago, Mr. Pierce was awarded a fellowship from the Ford Foundation for studies in Chinese languages and literature, and the last three yearly awards from the National Education Act.

Selectman Pierce said his son will attain his professorship upon his graduation in June, 1962. The selectman noted there are only five persons in the United States that presently hold a professorship upon completion or the study of Oriental languages and literature. Mr. Pierce said his son's plans are in the indefinite stage at present but that he is seriously thinking of entering the government field.

Prior to his entering college Mr. Pierce attended Pierceville and Waterman Schools (both schools are no longer in existence) and was graduated from Wareham High School. He is a member of the East Rochester Congregational Church.
